

MPN: VLFS32100M

Mobile Motorised TV/LFD Trolley for 32"-100" screen, Height Adjustable VESA 800x600 160kg Capacity, Black

Vivolink VLFS32100M is a height adjustable wall mount for large screens.
Perfect for large and heavy displays with touch function.

Typical usage is schools and universities.

Easy Wheelchair access and easy to move screen from one room to another.

The height adjustment ensure optimal positioning especially for touch screens
where both kids and adults need to interact on the screen.

The linear motors from Linak have an anti-collision system, so it stops
movement if any force resistance.
